Everyone can do it and give 100%...if you don't get something out of this experience, it is your own fault!
- BRAD DIDUCK, KELOWNA, BC

I thought I would only watch the shime tying, but I actually got to do it. I made my own bachi! I played 20 minutes on a huge odaiko. I never imagined I could do these things until I came here. I believe in myself now.

As a beginner, this residency has helped me catch the spirit of taiko. I want to take it back and live it. Nothing was intimidating.
- JACKIE PICARD, MOAB, UT

To be able to participate in a daily routine and experience just a little bit of the spirit of Shidara could transform a group. This was a unique treasure of an experience.
